We Invite You —

We extend a cordial invitation to every Polled Shorthorn enthusiast to be our guest at Oakwood, Monday, November 20th, 1944.

This is to be the fifth annual sale at our farm and the confidence of the buying public in our previous offerings has made us more determined to present in this event the best lot of bulls and females that has ever been assembled for auction. We are confident that this offering is our best, both in bulls and females.

Eight International Grand Champion bulls have been developed and used here. The worth of these champions and sires of champions will be apparent in this offering. In Oakwood Nonesuch, Imp. Gosshall Ximines, Oakwood Command and Oakwood Lieutenant Commander, we have the most outstanding and impressive battery of herd sires we have ever owned.

The loss, in the past month, of our two International Grand Champions, Oakwood Emperor and Oakwood Merry King, is felt keenly and this sale represents the last opportunity to secure their get in any number.

There can be no doubt that the cattle in this sale will make a lasting contribution to Polled Shorthorn advancement. They represent a culmination of our best efforts to that end over a span of thirty years. We present them with confidence that their buyers will be our friends and boosters for Oakwood in the years ahead.

The Parade of . . .
Teegardin Champions

Oakwood Royal King x. "The Breed's Greatest Sire." Grand champion 1930 International Live Stock Show. Sire of four International grand champions and five first prize International Get of Sire groups. No bull ever made a greater record. Spent his entire service at Oakwood Farm. His blood dominates the herd.

For five consecutive years the "get of sire" class at the International Livestock Exposition was headed by the sons and daughters of the International grand champion, Oakwood Royal King. No other Polled Shorthorn bull has ever equalled or even approached this record. His blood will be the feature of this sale.

This group won first prize in the get of sire class at the International Live Stock Show in 1935. All were sired by the 1930 International grand champion bull Oakwood Royal King.

This group won first prize in the get of sire class at the International Live Stock Show in 1934. All were sired by the 1930 International grand champion bull Oakwood Royal King.

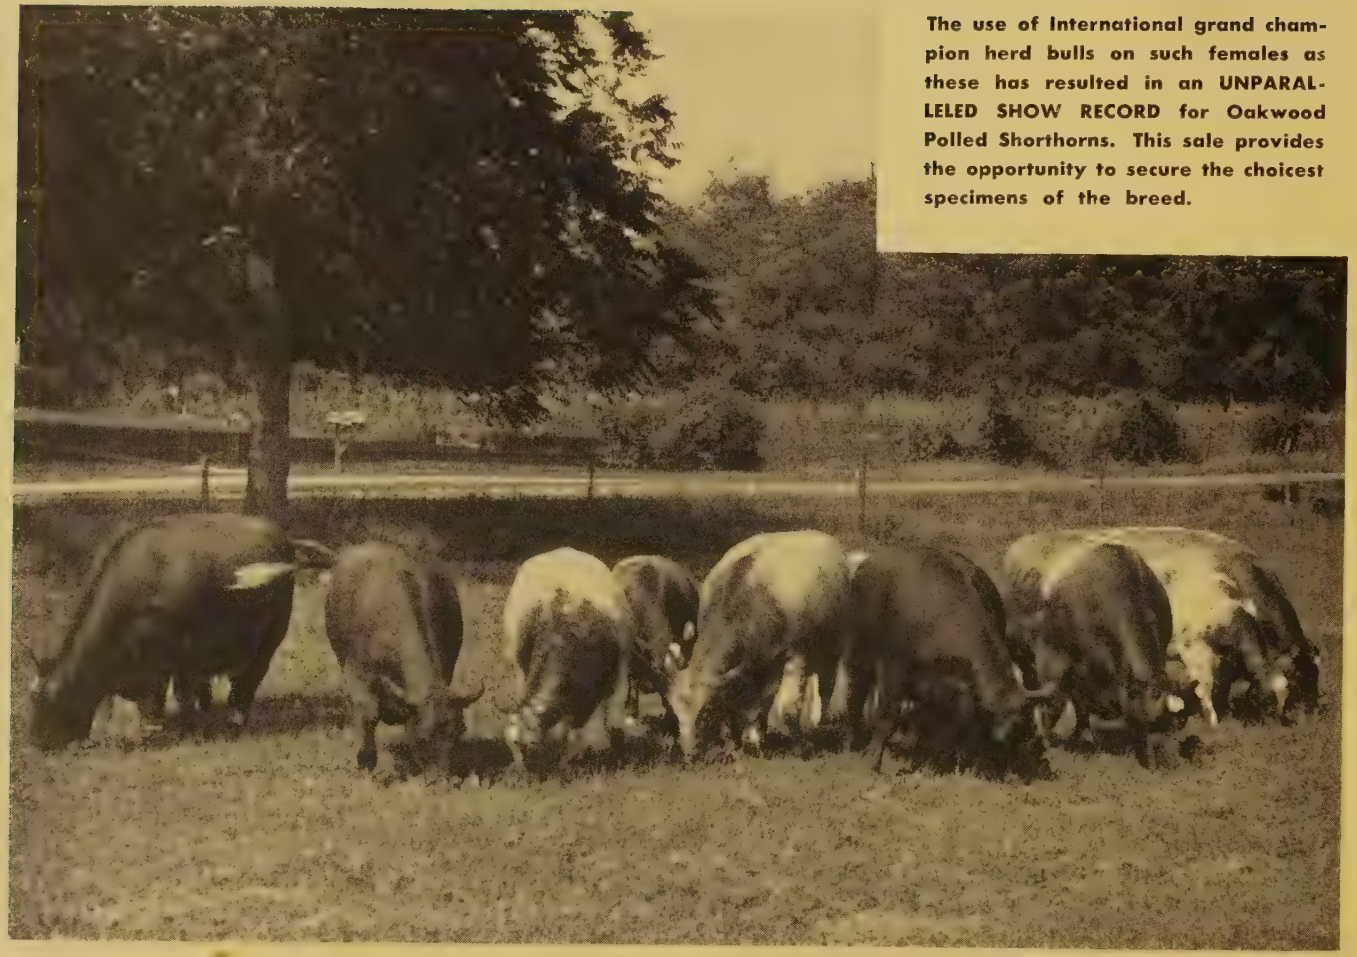

This group won first prize in the get of sire class at the International Live Stock Show in 1937. All were sired by the 1930 International grand champion bull Oakwood Royal King.

This group won first prize in the get of sire class at the International Live Stock Show in 1936. All were sired by the 1930 International grand champion bull Oakwood Royal King.

This group won first prize in the get of sire class at the International Live Stock Show in 1938. All were sired by the 1930 International grand champion bull Oakwood Royal King.

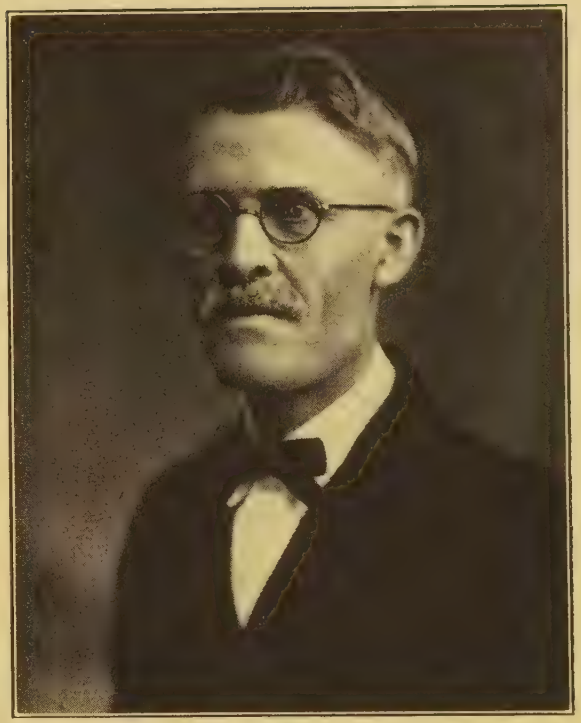

The use of International grand champion herd bulls on such females as these has resulted in an UNPARALLELED SHOW RECORD for Oakwood Polled Shorthorns. This sale provides the opportunity to secure the choicest specimens of the breed.

Master Farmer . . .

Although all of the credit for this excellent sale offering rightly belongs to the present generation of Teegardins, it is only fitting that due recognition be given in this souvenir catalog to the work of the late C. B. Teegardin. It was his confidence in the Polled Shorthorn breed that resulted in the founding of the Oakwood Herd and his vision, cooperation and guidance that made possible today's unparalleled source of supply for Polled Shorthorn seed stock. His duties as a banker and businessman never took precedence over his vocation as a farmer and stockman, and it was through his leadership in this latter field that he earned the title that brought him greatest pride . . . . Master Farmer. Under his guidance, Oakwood Farm, always operated as a practical stock farm and never as a hobby, was builded to its present five hundred acres, and seven sons and daughters whom we all admire were reared and educated.

Imp. Gosshall Ximines

When Gosshall Ximines was sold at the 1942 International Shorthorn Sale, Shorthorn breeders were unanimous in their opinion that he was the greatest prospect for a sire that had been offered in a generation. That he should sell for the top price at auction in this country in over two decades, was indicative of their confidence in his future.

At that time we had in service at Oakwood three International Grand Champion bulls, but we felt that Gosshall Ximines could write a new chapter in Polled Shorthorn achievement to use him upon the daughters of these bulls and, in cooperation with Montana Hall, we purchased this bull at $5700.

His sire, Coldoch Union Jack, was the Supreme Champion at the Perth Show in 1932. That he has proven himself an equally noted sire is now history. Through Coldoch Union Jack and his second sire, Beaufort Overture, Gosshall Ximines is line bred in the blood of Naemoor Jasper, the top sire of Scotland over a long period of years. While through his third sire, Collynie Nobleman by Balcairn White Eagle, sire of Collynie Royal Leader, he gets an infusion of that most prepotent blood.

It is significant to note that the 1939-1940 and 1941 Perth Supreme Champion bulls represented the combined influence of Collynie Royal Leader and Naemoor Jasper bloodlines and the inheritance back of Gosshall Ximines leaves no doubt in our minds that his individual excellence and outstanding type will be transmitted to his get and they, in turn, to their get.

The first calves sired by Gosshall Ximines at Oakwood were viewed as wee calves by those attending our 1943 Sale. In this, our 1944 Sale, we present the first four calves he sired here, two bulls and two heifers. We ask you to study each one individually and then study them as a group, each out of a dam by a different sire. We think these four calves, alone, would be sufficient evidence to rate Gosshall Ximines as the most impressive sire of this era.

Certainly a study of his calves will lend confidence to the worth of the few heifers being offered that are carrying the service of Gosshall Ximines. Let us say that only heifers in whom we had faith as future brood cows have been mated to him. It is hard to anticipate the worth of such females. The individual merit of his calves will be more firmly established in the years ahead and will serve as a criterion of excellence for Polled Shorthorns of the future.

Oakwood Merry King — Was the undefeated junior champion of 1938 at the International, the Illinois, Ohio, Indiana and Virginia State Fairs. In 1939 he was the undefeated grand champion at the same shows. The record of his get in the best shows of both 1940 and 1941 is now history. While there have been no shows this season, the best judges concur in the opinion that the calves by Oakwood Merry King would have been invincible in the strongest competition. Four of his most promising sons — everyone of top rank — are being offered along with five of his most attractive daughters. Each in turn will make history for their new owners. This is the greatest opportunity to reap the benefits of over a quarter century of breed improvement that has ever been presented. After studying the merit of the calves by Oakwood Merry King, you will aspire to strengthen your herd with some of his get.

NOTE — Oakwood Merry King died early in August of this year and we assure the buying public that the daughters listed in this sale will be the last we will offer. The sales of the past three years rate him as the breed's best sire. His get have made good everywhere.

One of the International Grand Champion sires in service until recently at Oakwood Stock Farm — Three daughters and two granddaughters will sell.

Oakwood Emperor — Has proven himself the top sire of the breed by the winnings of his sons and daughters at the leading shows of 1938-39-40-41. He was the undefeated Grand Champion bull of 1936 at the International, the Texas Centennial and the Illinois, Ohio and Indiana State Fairs. He is a son of Oakwood Royal King who was 1930 International Grand Champion and the greatest sire of the breed in the past decade being voted a two to one choice by the breeders of the country as the breed's greatest sire. The dam of Oakwood Emperor was by the 1927 International Grand Champion Oakwood Baron who also sired Oakwood Rodney, 1929 International Grand Champion. Oakwood Pure Gold, a son of Oakwood Emperor, was the grand champion bull at the 1941 National Polled Shorthorn Show and was the top selling bull of our sale in 1941. Oakwood Estelle 15th, a daughter of Oakwood Emperor, was the top selling female in over two decades when she was purchased in our 1941 sale at $1200 by Dr. Parke G. Smith, Cincinnati, Ohio. His greatest claim to fame is Oakwood Nonesuch and the equally promising daughters being sold in this sale.

NOTE — We regret to announce the recent death of Oakwood Emperor. He was in service at Oakwood throughout his entire life and no bull of his time can lay claim to a more brilliant breeding career. This sale will provide the last opportunity to buy the get of this great improver.

Coronet Command was the undefeated Junior Champion bull at the 1940 Illinois, Iowa and Nebraska State Fairs before we purchased him to bring him to Oakwood. He was made the Junior Champion bull at the International shortly afterward and came back in 1941 to be crowned the Grand Champion bull of the year at the Ohio, Maryland and Virginia State Fairs and the International. We have much confidence in him to pass on his unusual thickness, depth of body, full quarters and compactness to his calves, for he is from a grand, red cow and sired by the 1937 International Junior Champion Cherry Coronet, who, in turn, was by the International Grand Champion Count Coronet. Count Coronet was by a half brother to Oakwood Royal King and we are thus continuing our line breeding policy. See his calves and you will appreciate why we are so enthusiastic about him. Study his son, Oakwood Command and you will agree you have never seen a thicker, more compact bull in the breed's history.

We have retained Oakwood Nonesuch for herd bull duty at Oakwood because in him, we have what good judges agree is the most outstanding bull of the breed produced to date. We have shown eight International Grand Champion bulls, but Oakwood Nonesuch is distinctly the "most of the best" that we have ever produced. He is bred to be a most impressive sire, his dam being a dark roan daughter of Oakwood Royal King, thus, he is a double bred grandson of the greatest sire in history. His second dam was a red cow who was a full sister to Oakwood Baron, our first International Grand Champion bull, and a half sister to Oakwood Rodney, 1929 International Grand Champion bull who was exported to South America in 1930 at $2000. Only the best heifers have been mated to Oakwood Nonesuch and never in the history of Polled Shorthorns has such a select lot of heifers been offered carrying the service of such an outstanding bull. When you study Oakwood Nonesuch we are certain you will share our confidence in him and his ability to make a distinct contribution to Polled Shorthorn progress.

OAKWOOD COMMAND

Oakwood Command is a bull that has been much admired by every cattleman who has seen him. When we sold him as a two weeks old calf, with his dam, in our 1942 Sale, we felt that he was a calf of rare promise. When we saw him again in the Shenandoah Valley of Virginia last April we called him the best bull we had found, to date. Since coming to Oakwood, he has continued to develop and improve. His sire is the 1941 International Grand Champion, Coronet Command. His dam is a red daughter of Browndale Golden Victor. His granddam is a red grand daughter of Oakwood Royal King and his fourth dam by the International Junior Champion, Rosewood Renown.

We want every visitor to see this bull. We want you to note his unusual thickness, his compactness, his full bulging quarters, his level tail setting. His head is bully and he looks the part of a sire. We feel he is the last word in a dark colored herd sire and we have used him liberally in our herd. Just remember, you who are fortunate enough on Sale Day to own a heifer bred to Oakwood Command, that buyers for your calves from THIS bull need not be sought after, for it is THEY who will eagerly await the opportunity to own one of the off-spring of this great bull! Fifteen heifers in this sale are bred to him.

Oakwood Lieutenant Commander

Oakwood Lieutenant Commander is to follow his famous sire at Oakwood. When we sold this bull in our 1943 Sale we retained a half interest in him with his purchasers, Ira Fisher & Sons, Ashville, Ohio. When Oakwood Merry King died we purchased the half interest held by the Fishers, for we have always felt this bull was the right bull to carry on the tradition of Oakwood Merry King. We have used him on a few of our best cows and his first calves will arrive soon. His dam produced Oakwood Commander, 1940 International Grand Champion bull and Oakwood Gold Standard, top bull in our 1940 Sale. Both bulls are making outstanding sires, Oakwood Commander in the herd of Geo. E. Smith, Keokuk, Iowa and Oakwood Gold Standard in the J. M. Fishpaw & Sons herd in Berryville, Va. We have a full sister in our herd that is priceless and her first calf is the roan heifer, Oakwood Hope 6th, selling in this sale. With the record of performance back of this bull, we feel fortunate to have him in our hands.

Facts Worth Remembering and Considering

We have developed and shown eight International Grand Champion bulls. All eight of these bulls have been in service in our herd, where we have mated them to the most outstanding cows we could produce and that money could buy, always satisfying ourselves in each case that their breeding and inheritance were absolutely right!

Our show record stands unparalleled!

At the past sixteen Internationals, Oakwood Polled Shorthorns have won thirty championships, one hundred thirty-seven first prizes and eighty-eight second prizes! It is an honor to any herd to have in use a bull capable of siring a winning Get of Sire Group at this great show. We feel it noteworthy to emphasize the fact that seven times we have bred and shown this most coveted group to win first place at the International Livestock Exposition. Furthermore, in seven out of these past 16 Internationals we have ALSO stood in SECOND place to the winner of this most desired honor of all. ON the other hand, no other breeder in the country has ever won more than twice on the Get of any one of his herd bulls. Is not this really top-notch consistency of performance of the type we have striven to produce?

In a nation-wide contest conducted by The Shorthorn World, Oakwood Royal King was voted by popular ballot to be a two to one choice as the breed's greatest sire of all time! Oakwood Royal King spent his entire life of service here in the Oakwood herd!

As further evidence of the influence of Oakwood Royal King in breed improvement, we submit to you the fact that, with his sons and grandsons, we have succeeded in heading the class for the best three bulls at the International Livestock Exposition for ten consecutive years! (In 1938 and 1941 we stood both first and second in this class.) This record, a general acclamation of the best judges in this country, speaks for itself in being conclusive proof of the superior performance of the animals that have resulted from the carefully outlined programme of the Teegardins.

PUBLIC APPROVAL gave us the top sale of the breed in 1940. By the same token we were accorded the top sale in 1941. We repeated in 1942. Our 1943 offering was still better. This year we present our BEST and strongest offering.

This is the "Opportunity Sale" in Polled Shorthorn . . . . . History

☆

Confidence displayed by buyers in the past two auctions held at Oakwood Stock Farm has resulted in a supreme effort on the part of the owners to provide for this year's sale the finest collection of both bulls and females that have ever been offered in a Polled Shorthorn auction. That they have succeeded in assembling such a sale offering was obvious to me on the occasion of my recent visit to the farm and will be equally obvious to all who attend the sale. Taking the champions of the greatest live stock shows as their pattern and making use of the blood of these champions in moulding animals of superior type and quality, the owners of the Oakwood Herd have delivered a real service to the Polled Shorthorn industry by making these 44 richly bred animals available to the public.

—Hal Longley of The Shorthorn World.

About the Bulls in This Sale

Eight bulls are to be offered in this auction. They represent the top of a year's production and never before has the Oakwood bull offering contained as much herd bull strength. Individually they are of highest calibre and each inherits the blood of many champions. Four of them are sons of the International grand champion Oakwood Merry King, one is by Oakwood Nonesuch, and two are by Imp. Gosshall Ximines. Four bulls are out of dams sired by International grand champion bulls and six have granddams that were sired by International grand champion bulls. Oakwood bred bulls are making good because they are BRED to make good. The position of your herd can be strengthened by the purchase of a bull from this offering.

An Important 3-Day Polled Shorthorn Sale Circuit

Our sale will be held on Monday, November 20, 1944. The Ohio Polled Shorthorn Breeders' Association Annual Show and Sale will be held in Columbus on November 21, the day following our sale, and the Lynnwood Farms' sale will be held at Carmel, Indiana on November 22, two days following our sale. With 150 head of the best Polled Shorthorns in America selling in the three auctions, this is a trip all far-sighted breeders will want to attend. Headquarters for all who attend the Oakwood and Ohio State Sales will be the Neil House in Columbus.

And Don't Forget—

We invite everyone to spend Sunday with us at Oakwood and see every member of the breeding herd along with the sale offering to be sold on Monday.

It doesn't take long to pay for an Oakwood bred animal through EXTRA PROFITS.

Oakwood Commander, bred at Oakwood and sold to Geo. E. Smith, Keokuk, Iowa. Three head sired by him sold in the 1943 Missouri State Sale for an average of $683.50 . . . giving Mr. Smith a bonus of $388.50 per head above the general average of the sale.

Oakwood Pure Gold, bred at Oakwood and sold to Farnley Farms, White Post, Virginia. Three head sired by him sold in the 1944 Shenandoah, Virginia, Sale for an average of $320 . . . giving Farnley Farms a bonus of $50.00 per head above the general average of the sale.

Oakwood Magic King, bred at Oakwood and sold to Leemon Stock Farm. Four head sired by him sold in the 1944 Spring Illinois State Sale for an average of $375 . . . giving the Leemons a bonus of $103.00 per head above the average of the sale.

Oakwood Crown Command, bred at Oakwood and recently sold at $4500 for export to E. L. Killen, Pine Park, Mumbil, Australia. He is a son of Coronet Command and a half brother to our great junior herd bull Oakwood Command.

Oakwood Loyal King, Jr., bred at Oakwood and sold to Wertz Bros., Bancroft, South Dakota. Three head sired by him sold in the South Dakota State Sale for an average of $299 . . giving Wertz Bros., a bonus of $56.00 per head above the general average of the sale.

By Public Approval—

Top Sale in 1940

Top Sale in 1941

Top Sale in 1942

Top Sale in 1943

We want to express our appreciation of the cooperation of our herdsman, Harvey Ferguson and his helpers. They have met the emergency of carrying on with the shortage of farm labor by putting in longer hours in an effort to present this offering in good form.

Our pride is caused not alone by the fact that public approval of Oakwood Polled Shorthorns has given us the top auction sale year after year. More important to us is the fact that the cattle sold in these auctions have been making money for the buyers. In every major Polled Shorthorn sale where the get of an Oakwood sire or the produce of an Oakwood cow has been offered, the consignor has received a handsome bonus over the average price. The figures prove conclusively that it doesn't take long to pay for an Oakwood bred animal through EXTRA PROFITS. Ask any man who has owned one!

Oakwood Ximines

Oakwood Ximines is the second bull calf sired by Gosshall Ximines. Many good judges evaluate this calf as the acme of Oakwood breeding. A review of the dam's record is convincing evidence that she is doubtless one of the breed's best producers. Her first bull calf was exported to New Zealand and her second son was the 1937 Junior Champion, Oakwood Royal Rodney, that went to the Killen herd in Australia at $2000.00. Her third bull was Oakwood Moderator, who made such a meritorious record in the herd of Moise Cerf of Ennis, Texas and her next son went to South America. Her fifth son was the $2500.00 Oakwood Major, sold to Madison Jones of Alabama last year. Oakwood Ximines is the choicest of all her productions and may well set a new pace in the modern Polled Shorthorn era. Perfect in color; ideal in conformation; faultless, by inheritance.

Oakwood Union Jack

Oakwood Union Jack is the first son of Gosshall Ximines to be dropped at Oakwood. His dam is one of the most distinguished daughters of the peer of sires, Oakwood Royal King. His granddam was a dark roan cow that topped her class as a yearling at all the State Fairs of 1926 and was many times Grand Champion female in 1928-29-30. When you analyze the heritage of this bull and study his sire and his dam, you'll find he inherits his thickness, his depth of body, his full quarters, his perfect tail setting and his breeding bull head and front. His ability to be a great sire is doubly assured and we predict that critical breeders will agree that Oakwood Union Jack is as promising a stock bull as the breed has produced to date. Never have we had two bulls of such promise to offer to the public as these two first sons of the $5700.00 Gosshall Ximines!

Oakwood Lieutenant Colonel

Oakwood Lieutenant Colonel, a herd bull of the front rank, resembles his illustrious sire at the same age; we predict that he will be capable of the same accomplishments as the great Oakwood Merry King. He is the only bull available in our herd who is backed by six International Grand Champion bulls! He looks every inch the part of his extraordinary inheritance and he is surely worthy of heading the strongest and most aspiring herd in the country. This bull's dam is a dark roan, very deep bodied, compact, heavy milking daughter of Oakwood Royal King. She produced the second top selling bull in our 1942 Auction in the solid red bull purchased by Moise Cerf of Ennis, Texas. A full brother to this bull was our second top selling bull in 1943, going to J. C. Wahls of St. Olaf, Iowa. His head, his levelness, his thickness, his full quarters and level tail setting combine to qualify him as a bull of great distinction!

Oakwood Bar None

Oakwood Bar None is the first son of Oakwood None Such we have ever offered! His dam is a solid red daughter of the 1940 International Grand Champion, Oakwood Commander. His second dam is by Oakwood Emperor, 1936 International Grand Champion, and the third dam was the 1937 undefeated Evergreen Roan Lady. Ever since birth this bull has been preeminent and we are certain that he deserves your serious contemplation. Short legs; deep, thick, compact body; level and full quartered; color, type and breeding of the best. What more do you need when searching for TOPS in a herd bull! You may buy this one with confidence, for he is impressive from every angle.

Oakwood August King

Oakwood August King is a prospect of much promise for a real breeding bull. He is compact, closely coupled, full quartered, thick, level and smooth, withal; his is the head of a sire. A full brother went to Alvin Steffan in our last sale; a full sister is one of the top matrons in the Farnley herd. His dam is a solid red, thick, compact, heavy milking cow who produces a good calf regularly. Remember that there will be but few more sons of his International Grand Champion sire available and this calf is one of the kind that you can own with complete confidence. He is bred right to substantiate his claim to fame!

Oakwood Merry Guard

Oakwood Merry Guard is a rich, roan bull of exceptional inheritance. His sire was our 1939 International Grand Champion and his dam is a solid red granddaughter of the five times International Grand Champion, Ceremonious Sultan, a cow that is a consistent producer of good calves. A full sister to this bull looks to be one of the best females we own. We know of no bull that carries a stronger concentration of the blood of Avondale and Whitehall Sultan. His head promises that he, like his sire, should be another one hundred per cent dehorner. He has thickness, substance, levelness of top and tail setting, a full quarter and a sappy hide. Some herd may become famous through his service, for he combines correct pattern and proven inheritance.

Oakwood Royal Silver

Oakwood Royal Silver just cannot fail to make history as a sire. He has a head and front rarely found and with it he possesses style and real breed character. Short legged, deep bodied, thick, rugged and full quartered, with a sappy hide, he is a bull of top calibre and one that could win in any company. His dam is one of our best cows, a rich, dark roan who never fails to produce a top-notch calf. She is a grand daughter of Collynie Browndale, full brother to Browndale Star, a Champion son of Browndale Count who was a top sire in recent Shorthorn history. Royal Pioneer was out of a dam by Collynie King Royal and Cloverleaf Royal was an International Grand Champion. Study this bull. Analyze his background, see his dam on sale day and there can be no doubt in your mind as to the worth of this most promising young sire.

Commander in Chief

We present Commander in Chief with the feeling that he may be the choice of many visitors on Sale Day. He is a real nugget in type and conformation. Rich, deep red in color, he stands on short, sturdy legs. He is very compact, deep bodied, full in his quarters, thick topped and he is covered with a mellow, sappy hide. His dam is a solid red heifer that we would not offer for sale. This calf combines bloodlines that warrant his excellence. His sire is by a grandson of Count Coronet, 1935 International Grand Champion and Browndale Captain, noted son of Browndale Count. The dam is a granddaughter of the 1938 International Grand Champion, Lee Dale Collynie, as well as being a grand daughter of the 1927 International Junior Champion, Rosewood Renown. If shows were being held he would be winning top honors in the fastest company.

About the females in This Sale . . .

Because we pledged ourselves to sell in this offering the fifty best Polled Shorthorns that have gone into an auction sale in the history of the breed, we have gone deep into our herd and are offering a number of outstanding young females that, under ordinary circumstances, would be unavailable. We ask you to note carefully the strong Scotch families that are represented as well as the number of females that have been produced through the blending of the blood of SEVERAL International grand champion bulls. Fifteen daughters and granddaughters of International grand champion bulls are to be sold. Twelve of these are out of dams by International Grand Champion bulls. The offering will contain twenty-eight heifers that are bred to internationally famous stock bulls as well as twelve beautiful open heifers.

Weigh the worth of females of such matchless inheritance. Never in the history of the breed has their kind been available in such numbers.

In over a quarter century that Polled Shorthorns have been bred at Oakwood we have never had in service as impressive an array of herd bulls. Twenty-nine females are selling mated to these bulls and one is selling with a breeding privilege.

All of the heifers in this group are included in the 1944 sale. They are daughters of Imp. Gosshall Ximines, Oakwood Merry King, Oakwood Emperor and Oakwood Esquire. All are members of tribes that have consistently produced our top show ring winners.

If some far sighted beginner had the courage to buy the ten best females in this offering along with the best bull in the sale, within the span of five years that beginner would be recognized as owning the best Polled Shorthorn herd in the country. He would not have the MOST cattle but he would be sure to have the BEST.

Here are five of the beautiful brood matrons in the Oakwood Herd. Left to right — Oakwood Harmony, Oakwood Lavender 10th, Roan Lady of Oakwood, Oakwood Estelle 12th, the 1940 grand champion and Oakwood Julia. All are daughters of the international grand champions Oakwood Royal King and Oakwood Emperor. Many superior animals, bred just like these, are to be sold in this sale.

Oakwood Hope 6th

Oakwood Hope 6th is easily the most outstanding female we have ever produced. We present her with pride as our first calf by Gosshall Ximines and one whose pedigree sparkles with an inheritance second to none! Her dam is a priceless daughter of Oakwood Merry King. Her granddam produced the 1940 International Grand Champion, Oakwood Commander! Her next dam was the undefeated cow of 1930 in BOTH horned and polled competition and the breed has had few brood cows of her calibre. From stem to stern Oakwood Hope 6th is every inch a show heifer, a model of bovine excellence. Consider her worth in your herd as the foundation of a family of her kind, for she comes from lineage that has given Oakwood Stock Farm more TOP cattle than any other family. We offer this heifer as the most valuable and the most promising female we have produced in well over a quarter century of Polled Shorthorn breeding effort.

Gloster of Oakwood

Gloster of Oakwood is a solid red daughter of Gosshall Ximines and she only goes into the sale to let the buying public see the first four calves this son of the Perth Champion has sired at Oakwood. We regard her as one of the best prospective brood cows we have produced. Her head is sweet and broody. She is short of leg, deep of body, level and chock full of quality. Note that her dam is a grand daughter of the 1935 International Grand Champion, Count Coronet, her granddam by Max Browndale, her third dam a granddaughter of Roselawn Marshal and out of a cow that produced the twice International Grand Champion, Gloster Countess 2d. No family is more popular than the 34th branch Duchess of Gloster and we rate this heifer as one of the best the family has produced. The cost of THIS heifer doesn't matter! Own her, if you would breed TOPS!

Oakwood Mayflower Maid

Oakwood Mayflower Maid is the best daughter of Oakwood Merry King we have EVER sold. We pledged ourselves to sell a stronger lot of cattle in 1944 than has ever been offered at Oakwood and that is the only reason she is listed. Her dam is one of our best breeding cows, solid red, a heavy milker and one that never fails to produce an outstanding calf. This heifer has style and character and is every inch a show heifer. She is sweet about the head and front, she is very thick, low set, compact, level and balanced. Her dam produced the 1940 Congress Sale Champion that went to Lynnwood Farms at $1000. They came back and bought her full sister in our 1941 Sale and another daughter brought $1100 in the 1943 Congress Sale, going to Mountain and Cove Farm. Her inheritance is proven, her future unlimited, for her earning power is assured. Own her and she will prove it to you.

Oakwood Lady Mayflower

Oakwood Lady Mayflower is practically a full sister to Oakwood Mayflower Maid and we hope some enterprising breeder will be fortunate enough to own them both. Lady Mayflower 7th is a solid red, heavy milking cow from a family that has given the breed many of its best cattle. We recommend this heifer highly. A heifer out of her dam went to Montana Hall in our 1942 Sale and W. H. McDonnell of Illinois bought another daughter last year at $750. Donald Woodward of New York has a third daughter and this heifer is the best of them all. Consider her carefully, for this sale represents your last opportunity to buy the daughters of the International Grand Champion, Oakwood Merry King!

Oakwood Lavender 20th

Oakwood Lavender 20th could be a TOP female in any herd. There is no more desirable breeding than that of animals descending from the celebrated breeding cow, Lavender Bloom. The dam of the heifer is one of our most reliable brood matrons and milks heavy enough to raise two calves. Her daughters have made exceptional brood cows; two are in the Cerf herds in Texas and M. E. Beman & Sons, Thurman, Ohio chose a full sister to this heifer in our last sale. We have never sold a thicker heifer and if shows were being held this heifer would be a winner in any competition. Mark her for serious consideration, for she merits it.

Oakwood Orange Blossom 2d

Oakwood Orange Blossom 2d is a solid red daughter of the 1936 International Grand Champion, Oakwood Emperor. We offer her with confidence that she will make one of the most valuable brood cows in the entire offering. We like her head, her thickness, her balance and her quality. Her dam is a dark roan cow that we bought in the Burns Dispersion and she furnishes milk enough for two calves. A full sister went to H. L. Straus in our last sale and this heifer merits thoughtful consideration. Ideal in color, deep in polled blood from a family known to consistently produce top cattle, she lacks nothing for the buyer who aspires to own a promising daughter of one of the breed's best sires.

Oakwood Missie 13th

Oakwood Missie 13th is one of the two daughters of Coronet Command being offered and we feel she is one of the most valuable breeding prospects to ever leave our farm. Note her three International Grand Champion sires on top of the $20,000 Imported Rodney. Consider the fact that her dam is one of our best breeding cows, a rich roan and a cow whose calves have done well for every owner. She produced the top female in our 1940 Sale, selling to Moise Cerf, of Ennis, Texas. A son heads the herd of Mack Little & Sons of Michigan and was Grand Champion bull at the Michigan State Fair. Another son heads the herd of David R. Nesbitt & Sons of New York. T. O. Wiseman of Ohio has a daughter and another daughter is in the herd of Harry McCann of Virginia. Such females put herds into the front rank, making their cost negligible. Own this one and she will prove it!

Oakwood Vanity Fair

Oakwood Vanity Fair is a rich, even, dark roan heifer from a dam that was our choice of the 1941 Thieman Sale because she was from the same dam as the 1937 International Junior Champion, Cherry Coronet, sire of our 1941 International Grand Champion, Coronet Command. Oakwood Esquire is the solid red bull that topped our 1942 Sale and in whom we own a half interest along with Dr. and Mrs. Parke G. Smith. Note the accentuation of Oakwood Royal King blood in the sire, infused with the best productions of the Thieman herd and you will appreciate her promise. Her background is proven — her future is assured!

Oakwood Rosewood 19th

Oakwood Rosewood 19th is a breedy daughter of Oakwood Esquire; her dam is a beautiful dark roan daughter of Oakwod Royal King that we rate as an ideal brood cow. She is short of leg, deep, thick and milks exceptionally well. This cow produced Oakwood Royal Ransom who has sired so many good ones for Charles Griffin of Illinois; another son heads the good herd of Dr. R. E. Lightner in Ohio; a third went to Madison Jones of Alabama and a daughter was one of the choice heifers in our 1943 Sale, going to the strong collection of E. A. Dudley of Virginia. This heifer looks like a sure bet for a real foundation cow. Don't overlook her!

Oakwood Estelle 20th

Oakwood Estelle 20th is from a family of great eminence. Not only does she have three International Grand Champion sires at the top of her pedigree, but they are all bulls that have been sires of champions! The dam of this heifer is a full sister to Oakwood Emperor and she was a Junior Champion and a member of our show herd as a calf, a yearling and as a two year old. We offer this heifer as a distinct attraction, for we firmly feel that she can bring great distinction and great profit to her new owner. She is selling in working condition for we have only decided to sell her as we put the catalog to press. Owning her kind never really costs, for they pay for themselves with each calf!

Oakwood Gloster D

Oakwood Gloster D is one of the best prospects for a breeding cow we have ever offered. Those who attended our 1943 Sale will recall her full sister who topped the sale at $1410 to Dr. & Mrs. Parke G. Smith. In our 1943 Sale, H. L. Straus took Oakwood Gloster C at $1000 and recently Mr. Straus advises us that Gloster C has the most outstanding calf he has ever seen. Maxwalton Gloster 73rd again has an outstanding heifer calf and to share the best of our productions with the public we are listing Oakwood Gloster D. Certainly she will qualify for the most discriminating in every respect. The record of her full sisters is recommendation aplenty, but in her own right this heifer is an ideal brood cow prospect. Study her — consider her heritage — the record of her dam for producing her kind! Then what would she be worth in your herd, mated to Imp. Gosshall Ximines? You've seen his first calves at Oakwood and there is no gamble in this heifer.

Oakwood Rosewood 18th, from the same family as Lot 20, sold in our 1943 sale to E. A. Dudley Jr., Staunton, Virginia.

Oakwood Rosewood 20th is one of the most valuable breeding prospects to ever leave Oakwood. We hate to part with her, for she inherits a combination of bloodlines that we feel are second to none and she is individually equal to her heritage. She is a daughter of Oakwood Emperor, 1936 International Grand Champion; her dam is a daughter of Oakwood Royal King, 1930 International Grand Champion, and a full sister to the 1934 International Grand Champion, Oakwood Regent. Her granddam produced three championship winners at the International. From top to bottom her pedigree bespeaks assurance of her worth as a breeding cow. Short of leg, level and true in her lines, sweet headed, broody in her appearance, we realize that our own breeding programme will be hampered without her. She sells mated to Oakwood Nonesuch and that calf should be one of the breed's best!

Oakwood Delight, out of the same dam as Lot 21, sold in last year's sale at $1050 to Moise Cerf, Ennis, Texas.

Oakwood Delight C is another rich, dark, even roan heifer that will only be in medium condition because we had planned to retain her in our breeding herd. She is a half sister to our great young bull, Oakwood Command, and her pedigree reveals three International Grand Champion bulls at the top to assure her value. Ideal in color, deep bodied, compact, level and smoothly turned, this heifer can be worth a fortune. Remember that this family has given us Oakwood Commander, 1940 International Grand Champion bull, and Oakwood Harmony, three times a championship winner at the International; then take a look at Oakwood Union Jack and Oakwood Hope 6th in the sale offering. Convincing proof that this family is one to tie to!

Above is shown Oakwood Consul x, exported to Anthony Hordern, Sydney, Australia and winner of grand championship at the Royal Easter Show in Sydney. The dam of Lot 22 is one of his daughters.

Oakwood Mistletoe 3d is one of the three daughters of Oakwood Emperor to be offered. This heifer represents a family of cattle that have been exceptional producers for us; likewise, they have done well in the hands of our buyers. The dam of this heifer is a heavy milker and a daughter of Oakwood Consul, the first Polled Shorthorn bull to be awarded Grand Champion honors in the Royal Easter Show in Australia. Sons of this bull continue to sire winners in that country. Oakwood Reserve was Junior Champion bull at the 1930 International and was out of the same dam as the 1934 International Grand Champion, Oakwood Regent. Oakwood Mistletoe 3d sells mated to Oakwood Nonesuch. She will be worth a lot more than her cost!

Glen Knolls Nonpareil

Glen Knolls Nonpareil is a perfect colored, dark, even, roan heifer that we purchased to retain at Oakwood, for she looked to us to be one of the best prospects we have seen offered in any sale. We have decided to offer this heifer to show the buying public what other breeders can accomplish by blending Oakwood bloodlines. You will note that her sire is out of a dam by Oakwood Gondolier, a bull that sired so many top cattle in the herds of J. M. Fishpaw & Son and Harry McCann, Winchester, Va. The dam of this heifer is by an outstanding son of Oakwood Royal King who was mated to another family of dependable top cattle from the herd of Messrs. Rose of Indiana. This heifer is a distinct attraction and she will have a host of eager supporters on Sale Day. Her kind is rarely available and the mating to Gosshall Ximines perfects her desirability.

Lancaster Zendale 16th

Lancaster of Zendale 16th is a beautiful, dark, rich, roan and a deep bodied, roomy middled, heifer that certainly looks a real brood cow. This Lancaster family has produced many of the best Polled Shorthorns in the past three decades and they have been profitable cattle in all hands. In this heifer we combine the blood of Rosewood Renown, 1927 International Junior Champion, and Highland Stamp, who was exported to New Zealand and made such a favorable impression for Polled Shorthorns. We also have Village Commander, a first prize winner at the International, as the grandsire of her dam. Mated to Gosshall Ximines and well along in calf, we think this heifer will appeal to all good cattlemen. Give her serious consideration for she really merits it!

Mina of Cedar Hills 2d

Mina of Cedar Hills 2d could be a top cow in any collection. She combines shortness of leg, depth of body, thickness, levelness and a breedy front, blended into a beast that could top her class in any show. We know she will be popular with every discriminating judge, and, to leave nothing to be desired, we have mated her to Imp. Gosshall Ximines. We know the calf should be one of the best this bull has sired. Take a look at the four sons and daughters of this bull we are offering and resolve to own her "at any cost", for she is worthy of your most enthusiastic confidence. You SUCCEED with HER kind!

Missie 23d

Missie 23d is one of the sweetest prospects in the Sale. She topped her class at the Omaha Show and we chose her to mate to Oakwood Nonesuch and she certainly has every right to be carrying one of the best calves that will be dropped next season. Her breeding is equal to her own individual promise. Oakwood Impression Jr. sired the top selling bull in the 1943 Congress Sale in Maxwalton Walkaway, now heading the herd of L. F. Boyle & Son in Illinois. The Grand Champion female in the 1943 Omaha Sale was another of his daughters. He is a grandson of both Oakwood Royal King and Royal Count Jr. who was twenty times a champion in this country's strongest shows and the top sire of his day. Our Missies at Oakwood are descended from a full sister to the granddam of this heifer and their accomplishments in our hands are too well known to repeat here. Buy this heifer and own one that can be a top brood cow in any herd.

Bessie 65th

Bessie 65th is one that we'd like to keep as a breeding matron for she has every qualification. Roomy, thick, deep bodied, good headed and balanced, she just looks the part. Study Missie 23rd, then look at this heifer. Oakwood Impression Jr. just sires them that way. Check her pedigree and tell us if you know of a Marr Bessie backed with a stronger lot of bulls. Oakwood Chancellor was a first prize winner at the American Royal and the International. He topped the 1929 International Sale. Browndale Goldspur was an International Grand Champion by the sire of sires, Browndale Count. Villager's Wanderer was likewise a champion son of Imp. Villager as well as an impressive sire. Imported Bessie 41st was one of the best cows to come out of Scotland and her descendents attest her excellence. This heifer is well forward in calf to Oakwood Nonesuch and we will watch this calf with interest, for history could be made from such a mating.

Misty Lauretta

Misty Lauretta is a dark roan heifer of much thickness and brood cow promise. She is sired by the champion, Lynnwood Khan, who was a successful sire in the herds of L. F. Boyle & Son of Illinois and Dr. Parke G. Smith. We think the dam of this heifer is an ideal brood cow; sweet headed, deep bodied, smoothly turned and a liberal milker. She is a granddaughter of Elm Grove Golden Ring, an International Grand Champion bull, and her next sire is a grandson of the noted sire of champions, Imp. Cudham Dreadnaught. Misty Lauretta sells well along in calf to Gosshall Ximines and we feel certain she deserves your full consideration. Don't pass her and regret to learn that she was carrying a herd bull prospect of the first water.

Lady Dorothy 98th is solid red. She is a smoothly turned heifer with a world of quality and you never saw a richer color. This Lady Dorothy family is one of the most sought after families in the herd books and we regard this heifer as one of the better ones. She looks every inch a brood cow and sells bred to Imp. Ethel Coronita

Ethel Coronita is a dark roan of ideal type and one that has a wealth of brood cow character. She was one of the best prospects in the Thieman 1943 Sale and we purchased her to mate to Oakwood Nonesuch. Note that her sire is Cherry Coronet, the International Junior Champion bull who sired our 1941 International Grand Champion, Coronet Command. Her dam is a grand cow and a sister to Sni-A-Bar Ethel 2d, many times a champion in this country and Grand Champion at the Royal Easter Show in Australia after being exported to that country. This heifer is of an excellent family, her parents are of the best and her mating to Oakwood Nonesuch should warrant her being one of the most desired heifers of the offering.

Augusta Coronita 17th

Augusta Coronita 17th is a beautiful roan heifer whose dam is the granddam of Coronet Command, 1941 International Grand Champion bull, and her sire, Claytoun Coronet, sired the Grand Champion female at the 1941 International. She is a show heifer and one that looks like she will be a brood cow of the first rank. She is deep of body, lowset, thick, balanced and has a most impressive head. Withal, she comes from a family of outstanding producers. She sells mated to Oakwood Command and we are sure this mating will produce a calf of unusual merit. It doesn't matter what such heifers cost, it's whether or not you own them that counts. Study this one with a thought of what she could be worth in your herd and you will aspire to own her.

Stardale Butterfly Jean is a dark, rich roan of unusual thickness and spread of top. She has depth of body and she is smoothly turned with a truly brood cow front. She comes from the Cruickshank Butterfly family, as do Oakwood Nonesuch and the International Grand Champion, Oakwood Baron. This heifer is an ideal foundation for a herd of assured greatness. She sells bred to Oakwood Command, the bull that has delighted every cattleman who has visited us this season, and we have never had a bull of more promise. K'd resolve to own some heifers bred to this bull and Stardale Butterfly Jean would be one of them!

Lady Augusta 28th

Lady Augusta 28th looks like a twin to Lady Augusta 27th. Good judges disagree as to which is the best one and they all agree that they are an outstanding pair. In fact, the five daughters of Stardale in this offering leave no doubt that he is one of the breed's best sires of this era. Alike in type, impressive in their thickness, depth of body and levelness of lines, good heads, sappy hides and perfect colors, they would certainly put some herd in the fore front if they were kept together. We have bred this heifer to Oakwood Command. What a mating! That calf should be a sensation in thickness, depth and color. Progress is recorded with such opportunities as this heifer presents.

Lady Augusta 27th

Lady Augusta 27th was the top selling female in the 1944 Omaha Show and Sale. She is a rich, solid red, very thick, deep bodied, full quartered and short of leg. She is a top kind in any company and her sire is the best breeding son of Collynie Stardale, who is by the same sire as Oakwood Commander, 1940 International Grand Champion. Study the seven bulls on top of Imported Augusta 99th and you will appreciate the fact that this heifer's individuality and quality are hers by inheritance. She sells mated to Oakwood Nonesuch and from the calves we have at Oakwood by this great young sire, we predict this heifer will be one of the best buys in the offering. Richly bred, from a most popular family, she will write a new chapter in Polled Shorthorn history wherever she goes.

Miss Victoria 4th

Miss Victoria 4th might be the best daughter of Stardale. She is out of a Cruickshank Victoria cow from the Burns' herd. She is deep in polled blood and there is nothing left to be desired in her inheritance. Study her from any angle. She pleases in every manner. Her color is a wonderful rich, dark, even roan. She has depth, thickness, shortness of leg, a perfect tail setting and her body is balanced and smooth. She is mated to Imp. Gosshall Ximines and if we didn't aspire to make a stronger offering this year than ever before, this heifer would stay at Oakwood. The breed will never have enough of her kind.

Queen Rosewood 3d

Queen Rosewood 3d is a dark, even roan of the same pattern as the other daughters of Stardale. A Bruce Rosewood with nothing but bulls of note and distinction in her pedigree, she certainly will make a brood cow that will strengthen the best herd anywhere. Her type, balance, levelness and substance will immediately appeal to critical buyers. We have hand-picked the females to offer mated to Gosshall Ximines and this heifer is one of them. We feel her calf will strengthen the position of this bull as a sire of the best in Polled Shorthorns. What could she be worth to the future of your herd? The calf she is carrying could be worth a small fortune.

Gainford Clipper 4th

Gainford Clipper 4th is another solid red, deep and rich in color. She certainly has a grand brood cow front and with her depth of body, thickness and level lines, she will find a host of admirers. She belongs to the ever popular Clipper family and one would not desire more in her inheritance for her pedigree is radiant with the names of bulls of known repute. She sells served to Oakwood Command and we feel this mating should make the heifer ultra desirable, for this bull is a model of thickness, lowsetness, bulk and looks a real sire.

Missie's Pride is a roan Edgcote Missie that we have mated to Oakwood Lieutenant Commander, the young bull that topped our 1943 Sale and in whom we retained a half interest. Since the loss of Oakwood Merry King, his sire, we have purchased the half interest of Ira Fisher & Sons and this bull will follow his sire. Being out of the same dam as the 1940 International Grand Champion, Oakwood Commander, we are confident of his ability to sire the right kind. This heifer should drop a grand calf. Don't pass her and regret it in the years ahead.

73d Duchess of Gloster

73d Duchess of Gloster is certain to be a popular choice among good judges in any company. Solid rich, dark, red, she is a model in depth of body, thickness, shortness of leg and she has a distinctly "breeding cow" head and front. Study her pedigree from top to bottom. It bespeaks a right to transmit her excellence with certainty. Her sire is a grandson of the 1929 International Grand Champion, Oakwood Rodney, and also a grandson of Oakwood Memory, a 1931 Junior Champion. Edellyn Waverly is a solid red son of the $5000.00 Edellyn Brownwood. Victor Prentice is another solid red bull by Prentice, the top sire used at Sni-A-Bar Farms and we know of but few sires to equal Victor Prentice. We mated this heifer to Oakwood Command, the red bull we are using that we think is the thickest, lowest, shortest coupled bull we have seen. A calf of championship calibre should certainly result.

Missie's Royal Ruby

Missie's Royal Ruby is a solid, rich red heifer that will be popular with all visitors on Sale Day, for she is certainly of the most approved pattern. You'll like her good head, her thickness, her compactness and her true lines. When you consider that she belongs to the Edgcote Missie family you'll decide to own her, for these cattle have made good everywhere. Study her sires from top to bottom and you will find they stand for the best in Shorthorn achievement. She sells bred to Oakwood Command and we feel that there is no gamble in this mating.

Browndale Sunray is a solid red daughter of the good breeding bull, Browndale Golden Victor, the solid red, one hundred percent dehorning bull whose daughters have been so popular in our previous sales. We find the daughters of this bull to be among the top individuals in each herd into which they have gone. Likewise, they are producers of excellent calves and we consider this heifer one of the best the old bull has sired. Each one of this family is top-notch. When you consider that Browndale Sunray sells mated to Oakwood None Such, she should be eagerly sought after!

Rosewood 98th is a dark, even roan heifer of an unusually desirable and popular Bruce Rosewood family. Her dam is by a grandson of the International Grand Champion bull, Supreme Commander. Then just consider the next four sires on top of the imported Rosewod 92nd. Gainford Gondolier is a real sire and this heifer will help to establish his reputation. She sells mated to Oakwood Command and that should make her doubly attractive.

Augusta 110th is a perfect dark, even, rich, roan heifer with a sweet head, a lot of style and quality and withal, she is thick. We regard her as an excellent prospect and surely her breeding is beyond criticism. A typical daughter of Gainford Gondolier, her dam is sired by a grandson of Proud Archer, who did so much in the herd of Tomson Bros. Her second dam is a granddaughter of Browndale Captain and her third dam is by Bridgebank Sheik, who sired the dam of the popular Mathers' Sheik of Leveldale, an International Grand Champion bull. From top to bottom her pedigree bespeaks ample assurance that she will make a great cow. She sells bred to Oakwood Command and a sensational calf may rightfully be anticipated!

Gainford Clipper B is another dark, roan daughter of Gainford Gondolier and she comes from a background of noteworthy lineage. Her dam is a granddaughter of Raveni Leader, International Junior Champion son of the great Browndale Pilot. Likewise, she is a granddaughter of Edellyn Waverly by the $5000.00 Edellyn Brownwood. Her third dam is a granddaughter of Browndale Archer. Certainly a real combination of Browndale breeding at its best on a Clipper foundation combines to make her worthy of consideration. She sells bred to Oakwood Command.

Gloster Princess A is a perfect red in color and a Duchess of Gloster that will appeal to all critical breeders. Her sire is the 1941 International Junior Champion, Collynie Dale, now in service in the Lovell herd of Iowa where he is siring a great lot of calves. If you like them thick, short coupled, deep bodied, good headed and true in their lines, — then you'll have this heifer marked to buy. She sells mated to Mardale's Dreadnaught, a dark roan son of the Champion Mardale's Crown, who also combines the blood of the International Champion Calrossie Lord Rothes with a double infusion of the blood of the $19,500 Imported Cudham Dreadnaught. Bloodlines of the best and a heifer of modern pattern, she merits full consideration.

Millbrook Royal Mina 2d is a daughter of the Congress Champion Mardale's Crown, and a most promising daughter of a very popular Congress Champion. She comes from the Campbell Mina's, famed for the production of such noted animals as Royal Count Jr. whose record at Oakwood is too well known to need repeating. The dam of this heifer is by a championship winning son of Oakwood Royal King — the sire of sires among Polled Shorthorns. Study this heifer with due consideration of her individual excellence and her wealth of deep polled breeding. Consider the bulls in her heritage. She is impressive in any company and she is selling mated to Gosshall Ximines.

MARDALE'S CROWN x

Mardale's Crown x, sire of Lot 50 in this sale. Senior herd bull at McDonnell Farm. He was the top selling bull at the 1941 Congress Show and Sale.

In Rosewood 7th we present a dark rich, roan daughter of the Congress Grand Champion, Mardale's Crown, and she truly is of his calibre. Thick, deep, short of leg, level and evenly turned, she will be a favorite with critical buyers. Sired by a champion and out of a grand daughter of Rosewood Renown, 1927 International Junior Champion, — her second dam by the good sire Merry Baron. Notewell, — Sultan of the Mint, Imp. Queen's Guard and the celebrated sire, Revolution on top of Imp. Rosewood 91st. Here is blood of the best and a heifer that is worthy of such a reassuring inheritance. Mated to Coronet Aristocrat she should produce a grand calf. Mark her, for she is worthy.

The get of five International grand champion bulls are represented in this picture. Only at Oakwood Stock Farm could such a picture be taken because Oakwood is the only herd that has produced or used eight International grand champion Polled Shorthorn bulls.
